

 GOOD DESIGN

ZIP Rail Screen

ZIP Rail Screen

Partition Off & Convert Room

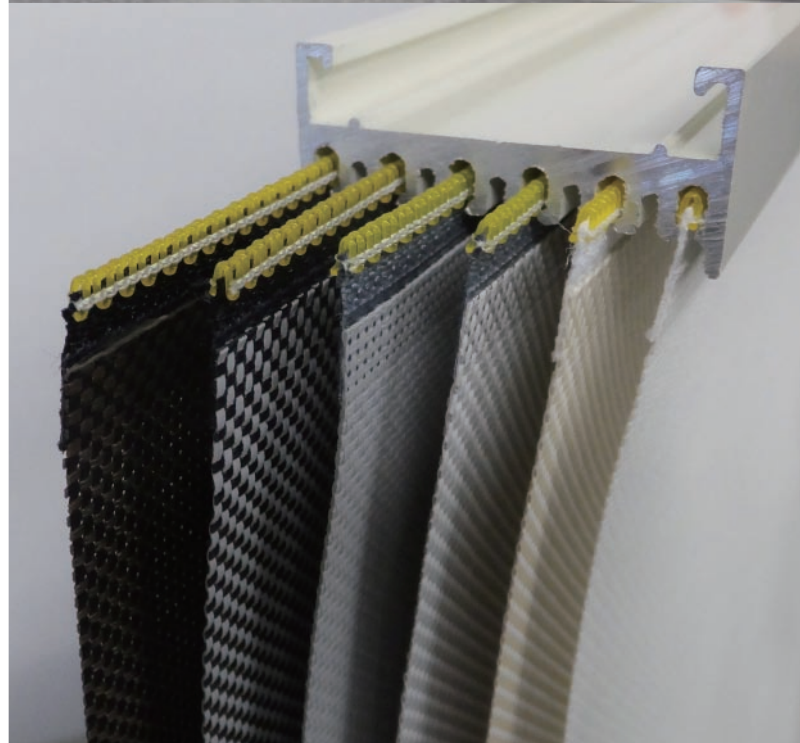

Length selectable rail 4 meters in maximum can be longer by coupling it, works with large-size, easy mounting, and durable structure.

(e.g. W:3m x H:3m = 9 m²)

Simple Small Panel Screen

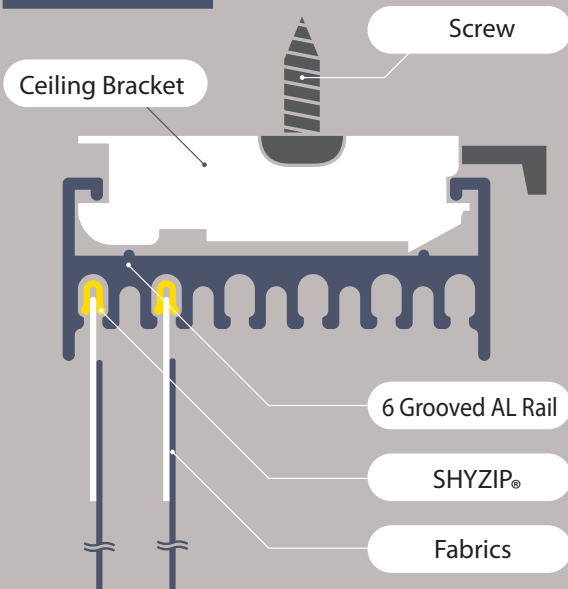

With simple and small device can be used anywhere you want, applicable for covering open storage without narrowing its spaces.

My size , My choice

Provide you various choices of screens, no complexity in exchanging them, have fun with ZIP Rail Screen as interior decoration, along with growth of children or individual taste.

PCT PATENT PENDING

Kitchen & Living room

For welcoming unexpected guests, you can quickly hide private room, also you can save energy of air conditioning by partition.

Bed room & Shelf

Narrow-width design contributes to flexible use, dividing bed room for keeping your privacy, covering open storage, yet very smooth operational feeling, safe and comfortable design.

Kids room

As children grow up, you may need individual spaces for them, though still want to give them shared place. ZIP Rail Screen will provide you both.

To help keeping away their attention to toys by covering shelf or box, ideal situation for studying.
